Other Popular vitamins Like BCAA 2500 XP!

General Information and datasheet (Supplement Training Systems)

BCAA 2500 XP is a blend of the branched chain amino acids, L-Leucine, L-Isoleucine and L-Valine. Under conditions of stress, injury or exercise, the body uses BCAA's to maintain nitrogen balance. BCAA's are essential amino acids that are mainly absorbed by skeletal muscle where they help support protein synthesis.

DataSheet:
