## General Information and datasheet (Action Labs)

Description: Super Glucosamine Complex™ plus Chondroitin Sulfate is a premier blend of natural joint supportive ingredients, featuring three key forms of Glucosamine. These amino sugars have been researched for their role in the maintenance of tissue membranes. Glucosamine Sulfate, in particular, is popular for its superior absorption and reputation for stimulating the production of Chondroitin Sulfate and other joint sustaining mucopolysaccharides. Super Glucosamine Complex® plus Chondroitin Sulfate is today's choice for individuals seeking healthy joint function.

Directions: As a dietary supplement, take 1 capsule up to four times daily preferably with a meal. Store in cool, dry place.
