General Information and datasheet (Kal)

Beyond Red Yeast Rice™			
Description:	<ul style="list-style-type: none"> • Red Yeast Rice contains beneficial unsaturated fatty acids (>125 mg/g) including mono- and polyunsaturated fatty acids, as well as proteins, amino acids and phytonutrients. All are elements of a healthy diet. • Artichoke extract has flavonoid constituents that demonstrate antioxidant activity and are intended to provide nutritional support for healthy digestion. • Guggul, a plant that has been used in traditional Ayurvedic medicine for centuries, is intended to provide nutritional support for healthy cardiac enzymes and heart function. • Vitamin B-12, B6, and Folic Acid have been added and are intended to help nutritionally maintain and support normal Homocysteine levels in the body. • Tablets are easy on the stomach and guaranteed to disintegrate within 30 minutes (SUPXXIII). • Beyond Red Yeast Rice in laboratory research has shown to support the cardiovascular system and inhibit lipid peroxidation. Beyond red yeast rice has been synergistically formulated so that the herbs and vitamins work together to help balance cholesterol levels naturally. Taking Beyond red yeast rice along with a proper diet and exercise will help you to achieve success in your fight to improve your cholesterol healthy.
