General Information and datasheet (FOODSCIENCE OF VERMONT)

Product Description

A dietary supplement to support immune system function.* Maitake D-Fraction® has been extensively researched, and is one of the most comprehensive immune support formulas available.* Our Maitake D-Fraction® is a combination of Vitamin C, organic Maitake Mushroom Powder, and a trademarked brand of highly purified, standardized extract of Maitake mushroom called the PD-Fraction™ (professional strength) that yields 30% pure D-Fraction. FoodScience is proud to carry the D-Fraction from Maitake Products Inc. in our Maitake D-Fraction®. This superior combination was formulated to help maintain optimal immune system function, improve antioxidant protection, and to support cholesterol, blood pressure, and cell growth within normal ranges.* There is no other product on the market that is more pure or potent than Maitake D-Fraction®.* It is the only Maitake product that has been approved by the FDA for conducting phase 2 clinical studies as an IND #54,589.* Vegetarian and yeast free capsules.
