Other Popular vitamins Like Chamomile Tea!

## General Information and datasheet (ALVITA TEAS)

Native to Eurasia and first used by ancient Egyptians, Chamomile (*Matricaria chamomilla*) has daisy-like flowers and a long and storied history as a gentle, soothing herb. In traditional German herbalism, Chamomile was so popular it was called *alles zutrut*, meaning "capable of anything". With its pleasing sweet apple aroma, it has always been one of the world's. In addition, its fragrance makes Chamomile a pleasant addition to potpourris and aromatic dried flower arrangements.

Cosmetically, Chamomile makes a wonderfully soothing bath, a penetrating facial, and it can be used to bring golden highlights to brown hair.
