Annemarie Borlind For Men Anti-Ageing Revitalizing Cream replenishes oil, nourishes and binds moisture, restoring vitality to the skin.

Ingredients

Anti-ageing complex

-a unique combination of rare algae extract, aloe vera and ginkgo that moisturizes and supports natural skin regeneration, delaying premature skin ageing. Baobab leaf extract - refines skin structure and connective tissue. Celandine - reduces redness, minimizes couperose conditions. Ceramide -strengthens the skin's barrier function to resist free radical damage. Hydrates, smooths and binds moisture. Jojoba nut oil and macadamia nut oil - care for and protect skin. Liquorice root extract - soothes and calms skin. Panthenol - pro-vitamin B5, supports healing and binds moisture. Ubiquinone - protects against free radical damage, delays environmentally caused ageing of the skin. All active ingredients are herbal, incorporating the latest scientific discoveries with beneficial botanical ingredients. Products are cruelty-free and biodegradable within twenty-four hours. Packaging is environmentally sound. All products are tested in independent university dermatological clinics on
