Other Popular vitamins Like Nattokinase best 100mg!

[General Information and datasheet \(Doctors Best\)](#)

Supplement Facts:

serving size 1 capsule

servings per container 90 servings

Nattokinase 2000 FU

(fibrinolytic units) enzyme activity

Other ingredients: cellulose, vegetarian capsule, maltodextrin, magnesium stearate (vegetable source).

Suggested use: Take 1 - 2 capsules daily, between meals.

Nattokinase is an enzyme derived from "natto", a traditional fermented soy food popular in Japan. During the natto production process B. subtilis natto, a friendly bacteria, ferments boiled soybeans, releasing nattokinase. Best Nattokinase contains pure nattokinase enzyme in a lactose base.

Note: Doctor's Best Nattokinase (2000FU) 90VC contains 2,000 fibrinolytic units, which refers to the enzyme activity level. Enzymes, like Nattokinase, are not measured in mg, but in an unassociated measure of units. Even if the enzyme had 1,000mg per capsule but no activity, the enzyme would be worthless. Doctor's Best Nattokinase has 2,000FU (units) of activity. This is a very high amount of activity.

Safety

Suggested Use: Take 1-2 capsules daily.

Do not use this product if you are pregnant or nursing, are allergic to soy or lactose,

or if you have a blood coagulation disorder. If you are taking an anticoagulant (blood-thinning medication) or vitamin K, consult a physician before taking this product.

Does Not Contain: milk, egg, wheat, corn, sugar, sweeteners, salt, or preservatives.
