Other Popular vitamins Like Eau De Parfum Ambrosia!

## [General Information and datasheet \(ECCO BELLA\)](#)

Our eau de parfums are made with sophisticated perfumery techniques using only real essential oils from flowers, fruits, herbs, and spices. When you use these parfums, your body will be enveloped in nature's seductive, mood altering experience of true aromatherapy. The four parfums are exquisite layered over our luxurious body lotions.

Eau de parfums are almost as concentrated as perfume and last longer than cologne.

Inside gorgeous, etched-glass bottles, each of our parfums contain a delicate blend of essential oils in a natural grain alcohol base.

Ambrosia: The top notes are an awakening of Commores ylang, Egyptian geranium, black currant bud absolute, and Bulgarian lavender. The heart notes spread the warmth of tropical ginger, cardamom and clove. The base notes unfold a mystical patchouly and hypnotic vanilla. Choose it when you want to be enveloped in a tapestry of flowers, spices, and vanilla.
