## General Information and datasheet (EMERITA)

Product Description:

Sun. Wind. Hot bath. Hot flashes.

Shaving. Everyday living... All of them work against your skin's ability to maintain moisture and comfort. Your skin is a complex system, one that demands deep hydration to stay cool, comfortable and refreshed. Our formulation supports your body's own ability to retain moisture with a superior hydration that's long-lasting. It moisturizes, softens and smoothes your skin without feeling sticky or oily. The power of ICE3 Cool. One simple word was our reaction when we tried the first-round formulation of our deep cooling lotion. Someone here described it as feeling like a cool breeze on a sweltering day. Our special Ice3 formulation creates immediate cooling and stays cool a long time. Scent: citrus mint mimosa

Suggested Use:

Start by working a small amount into the skin of your hands and feel how they're instantly softened and refreshed. Then keep going.
