[General Information and datasheet \(ETHICAL NUTRIENTS\)](#)

Bone Builder® MBD
MCHC with Magnesium, Boron, and Vitamin
D

Bone Builder MBD is an excellent, comprehensive bone support formula that features the same calcium-rich MCHC found in original Bone Builder®, but with other bone-nourishing nutrients.

Features a 2:1 ratio of calcium to magnesium for optimal absorption.

Magnesium plays important roles in bone metabolism, with over one-half of the total body stores of magnesium found in bone tissue.

Boron is a trace mineral that may support bone health through its involvement in vitamin D and estrogen metabolism.

Vitamin D is an essential nutrient that helps stimulate calcium absorption and regulate calcium and phosphorus levels in the body.

120 Tablet Bottle

220

Tablet Bottle

TWO TABLETS SUPPLY:

Microcrystalline

Hydroxyapatite Concentrate (MHC)† 1050 mg

Calcium (as MHC and dicalcium phosphate) 333 mg

Phosphorus (as MHC and dicalcium phosphate) 197 mg

Vitamin D (as cholecalciferol) 133 IU

Magnesium (as magnesium citrate, magnesium bis-glycinatett, and magnesium oxide) 167 mg

Boron (as boron citrate) 200 mcg

Recommendations: Two to six tablets daily.

†Microcrystalline hydroxyapatite concentrate supplies calcium, phosphorus, and trace quantities of other minerals.

††Patented mineral amino acid chelate: U.S. Patent #4,830,716 Albion®.
