### **Overcomes Chronic Pain**

"I'm so excited about your new natural painkiller, Curamin. I've had constant pain for so many years that I can't even remember when it started. I was taking 12 Aleve and one Vicodin every day and still had pain. I started Curamin. and within 45

minutes after taking two capsules, all my pain was gone. I just had both feet operated on, and my doctor was amazed that my feet did not show any inflammation and that I had no pain from the operation. He suggested that I take a prescription painkiller, but I refused and relied on Curamin and had no pain. Please, please don't ever go out of business or retire. I could never live without Curamin." —Lucille R., De Pere, Wisconsin

**Alleviates Hip Pain**

"I have bursitis in my hip, and the pain was unbearable. I started taking [Curamin] this Friday afternoon, and by the evening I was feeling so much better and actually got a good night's sleep." —Helen C., Leipsic, Ohio

**'Awesome'**

"I received and tried the curcumin; it worked awesomely. I couldn't believe the results. Thanks again." —Jim W., Green Bay, Wisconsin
