General Information and datasheet (Enzymatic Therapy)

EstroBalance™† with DIM

(Formerly Indolplex®, Hormone Free,
Vegetarian)

Natural support for estrogen balance and a healthy
fat metabolism†

Dietary Supplement

Product Numbers: 05333 ,
05336

Product Quantities: 30 Tablets, 60 Tablets

Many

women today have high estrogen levels due to stress, diet and environmental factors. When estrogen levels are high, often referred to as estrogen dominance, progesterone levels are low and this increases your need for hormone support. Hormone levels affect your body in many ways and can result in fatigue, mood-swings and difficulty losing weight.† EstroBalance™ † is a safe, natural formula containing DIM from Indolplex®. DIM needs to be specially processed to have an effect on hormone levels, so this unique formula is designed for easy absorption by the body. EstroBalance also supports breast wellness and healthy cell development.†

Product Nutrient Categories: Herbal
