General Information and datasheet (Enzymatic Therapy)

Peppermint Plus®

Comforts for the intestine†

Dietary

Supplement

Product Numbers: 08466

Product Quantities: 60

Enteric-Coated Softgel Capsules

Peppermint Plus® soothes

the intestine with antispasmodic effects.† Enteric-coated softgels resist digestion in the stomach, and allow the formula to move to the intestines, where it's released for optimum benefit.†

Peppermint Plus® includes oil extracts of peppermint, rosemary, and thyme. Peppermint soothes stomach discomforts by smoothing the intestinal muscle.† Rosemary stimulates appetite and improves gastric tone, allowing food to be more easily digested.† Thyme comforts the stomach and helps relieve gas.†
