## General Information and datasheet (JASON WINTERS)

Product Description:

The Original Jason Winters Intestinal Cleanser is a natural psyllium fiber formula that can help maintain colon health and restore regularity. The gentle cleansing action of this therapeutic soluble fiber encourages normal elimination of accumulated debris without chemical stimulants.

Warnings:

It is important to drink this product immediately after mixing. Drinking a second glass of liquid after using product is helpful. Taking this product without adequate fluid, or delays in use after mixing may make product difficult to swallow. Do not use this product when abdominal pain, nausea, or vomiting are present unless directed to do so by a doctor. If the constipation continues for longer than a week, consult your doctor. Store below 86 o F (30 o C). Keep tightly closed to protect from humidity.

Ingredients:

100% Psyllium seed fiber, Soy Flour and Magnesium Trisilicate Tricillate.

Notes:

Intestinal Colon Cleanse formula designed to remove old accumulated mucous feces, and putrefactive toxins that may become impacted in pockets of the colon.

A temporary feeling of fullness may accompany the use of the Intestinal Cleanser. This feeling is common and usually

passes after the first bowel movement in 12-48 hours. The presence of strings of mucous and debris in the stools are no cause for alarm, but rather indicate that the cleansing process is occurring. The continued use of this product for several days may help to increase the overall effectiveness. All natural psyllium fiber. Daily source of soluble fiber.

Recommended

Use:

One (1) level teaspoon in 8 oz. of liquid, up to 3 times daily at the first sign of irregularity. Can be used before or after meals. Typically produces effect in 12-48 hours.

Children

(6-12 years): 1/2 of adult dose in 8 oz. of liquid, up to 3 times each day.

Consult a doctor for children under 6 years.

Put one level teaspoon into an empty glass. Fill glass with minimum of 8 oz. of water or your favorite juice. Stir briskly and drink immediately. If the mixture thickens, add more liquid and stir. May also be mixed in a blender. Drink immediately after mixing.
