Details

Serving Size: 1 capsule

Suggested Use: As an herbal dietary supplement, take 1 capsule, 3 times daily as needed. Daily usage is not to exceed 4 weeks.

Free of: sugar, salt, starch, wheat, milk, yeast, gluten, soy, corn, egg or preservatives.

Other Ingredients: Gelatin (capsule), Magnesium Stearate and Silica.

Warnings: Caution: US FDA advises that a potential risk of rare, but severe, liver injury may be associated with kava-containing dietary supplements. Ask a healthcare professional before use if you have or have had liver problems, frequently use alcoholic beverages or are taking any medication. Stop use and see a doctor if you develop symptoms that may signal liver problems (e.g. unexplained

nausea, abdominal pain, loss of appetite, fever, vomiting, dark urine, pale stools, yellow eyes or skin). Not for use by persons under 18 years of age or by pregnant or breast-feeding women. Not for use with alcoholic beverages. Excessive use or use with products that cause drowsiness may impair your ability to operate a vehicle or heavy equipment. Caution: Please discard the inedible freshness packet enclosed.

Can't sleep? Need to relax? Stressed out? And you haven't tried Kava yet? Since its introduction, users have raved over this 100% organic sedative herb, and its ability to encourage a natural state of relaxation. It gets its power from high concentrations of kavalactones present in the plant's thick roots. Kavalactones have been shown in many studies to promote a calming effect on the body's limbic system – a region of the brain that regulates emotion. And while it's always wise to consult a physician before use, Kava appears to be safe when taken as recommended. NOW Kava contains 100% root extract.*
