General Information and datasheet (Natures Plus)

Natural Beauty Cleansing Liquid

Product No. 5992

Natural

Beauty Cleansing Liquid and Bar enliven your senses with the sweet scent of lemon and revitalize your skin with the special protective qualities of aloe, allantoin and Vitamin E. Nature endows human skin with a natural pH range of between 4.5 and 5.5. Regular soaps tend to be alkaline, effectively removing the "acid mantle" that your skin drier, less pliant, less vibrant than it should be. Natural Beauty Cleansing Liquid and Natural Beauty Cleansing Bar are pH balanced, protecting the skin's natural "acid mantle." Daily use, from head to toe, leaves your skin soothingly soft, terrifically clean.
