General Information and datasheet (SOURCE NATURALS)

Liver Guard™

Bio-Aligned Formula™ * Silymarin/CoQ10/N-Acetyl Cysteine

Liver Guard is a Bio-Aligned Formula, designed to protect and defend you from the toxins and pollution that pervade the environment. Liver Guard addresses multiple body systems involved with optimal liver function, which is crucial to detoxification: liver cleansing and restoration, fat metabolism, antioxidant production and defense, and energy generation. Lipoic acid, silymarin and N-acetyl cysteine (NAC) are potent antioxidants that support healthy liver function. NAC is a precursor to glutathione, one of the liver's primary free-radical scavengers. And silymarin, the active flavonoid complex of the herb milk thistle, has been shown in vitro to inhibit lipid peroxidation of cell membranes.

The liver performs hundreds of enzyme functions as well as filtering and detoxifying the blood. Supporting the liver is of utmost importance to keep the body in tip top shape. Source Naturals Liver Guard is specifically formulated to help the liver do its day to day thing. The liver also produces bile which helps the body process fats in the intestinal tract and gall bladder. Source Naturals recommends that you do a liver guard liver detox at least twice a year for optimal health and wellness.

Supplement Facts		
Serving Size: 2 tablets		
	Amount	%DV
Vitamin C (as ascorbic acid, ascorbyl palmitate & zinc ascorbate)	627 mg	10.5
Vitamin E (as natural D-alpha tocopheryl)	75 IU	2.5
