Life Minerals™ No Iron

Krebs Cycle Multi-Mineral Complex

Life Minerals is a comprehensive multi-mineral formula. The minerals are bound to organic compounds of the Krebs cycle (cellular energy production system) with other nutrients that are the transport forms for each mineral. Minerals are critical to human metabolism: they are key elements in thousands of enzymatic reactions in the body and are the foundation of the body's electrochemical systems. This product is iron-free for those concerned with their iron consumption.
