General Information and datasheet (SOURCE NATURALS)

Citricidex™

Grapefruit Seed Extract * Liquid and Tablets

Citricidex's broad-spectrum application is well known throughout South America, Europe and the Far East. Its active ingredient is extracted from the seeds and other parts of the grapefruit.

Supplement Facts for liquid		
Serving Size: 1/4 tsp		
	Amount	%DV
Vegetable Glycerine USP and botanical Citricidin™, a natural, biologically active extract of grapefruit seed.		

Other Ingredients:

Warning: Do not put in eyes. Do not use full strength in mouth, ears, nose or other sensitive areas, or breathe vapors at full strength. Undiluted concentrate is severely irritating to mucous membranes, and can irritate skin. If irritation occurs, flush with water for at least 15 minutes. If ingested, drink large quantities of water to dilute. If you are pregnant or nursing, consult your health care professional before using this product.

Suggested Use: 5 to 15 drops mixed in 5 oz water or juice, 2 to 3 times daily, with or without meals. Always use diluted.

Suitable for vegetarians and HYPOALLERGENIC: contains no yeast, dairy, egg, gluten, corn, soy or wheat. Contains no sugar, starch, salt, preservatives or artificial color, flavor or fragrance.

Supplement Facts for 125 mg		
Serving Size: 2 tablets		
	Amount	%DV
Grapefruit Seed Extract	250 mg	†

Other Ingredients: Dibasic calcium phosphate, stearic acid, acacia (vegetable gum), modified cellulose gum, colloidal silicon dioxide & magnesium stearate.

Warning: If you are pregnant or breastfeeding, consult your health care professional before using this product.

Suggested Use: Two tablets daily. Take with at least 8 oz of water.

Suitable for vegetarians and HYPOALLERGENIC: contains no yeast, dairy, egg, gluten, corn, soy, or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.

liquid **SN0885 2 fl oz • SN0886 4 fl oz**

125 mg **SN0093 90 tabs • SN0094 180 tabs**
