General Information and datasheet (SOURCE NATURALS)

Attentive Child™

Bio-Aligned Formula™ * Enhances Mental Concentration

Tablets and Wafers

Studies have shown that very active children may have special dietary needs. Source Naturals **Attentivechild™** is designed to support your child's ability to focus - and kids love the sweet and tart taste! DMAE, a substance normally found in the brain, has been shown to help enhance mental concentration. Magnesium also plays a role in neuromuscular transmission and activity. L-Aspartate, an amino acid, acts as a neurotransmitter. Grape seed extract is rich in procyanidins, which have powerful antioxidant activity, and phosphatidylserine is a vital component of cell membranes, including those in the brain.

Supplement Facts for wafers		
Serving Size: 2 Wafers		
	Amount	%DV
Calories	15	
Total Carbohydrates	4 g	
Sugar**	2 g	†
Magnesium (from magnesium aspartate)	120 mg	30%
Zinc (as zinc picolinate)	2 mg	15%
L-Aspartate (from magnesium aspartate)	310 mg	†
DMAE (as DMAE bitartrate)	100 mg	†
