General Information and datasheet (SOURCE NATURALS)

Vinpocetine

Promotes Cerebral Metabolism

Vinpocetine is a derivative of vincamine, a key component of the lesser periwinkle plant. Research suggests vinpocetine may improve cognitive performance and short-term memory loss that is sometimes experienced with stress or aging. Animal studies have shown that vinpocetine significantly increases circulatory parameters including total cerebral blood flow.

Supplement Facts		
Serving Size: 1 tablet		
	Amount	%DV
Vinpocetine	10 mg	†

Other Ingredients: microcrystalline cellulose, stearic acid, and magnesium stearate.

Warning: May cause stomach upset if taken on an empty stomach. If you have low blood pressure, have a history of heart problems, strokes or are using blood-thinning medications, consult your doctor before using this product. For adult use only. Not for use by pregnant or breastfeeding women.

Suggested Use: Take one tablet 1-3 times daily with food.

SN1398 60 tabs • SN1399 120 tabs
