General Information and datasheet (SOURCE NATURALS)

Alpha-Lipoic Acid

50 mg, 100 mg, 200 mg, 300 mg and 300 mg Timed Release

Alpha-Lipoic Acid is a powerful antioxidant that is soluble in both fat and water. It directly recycles vitamin C and indirectly recycles vitamin E, providing additional antioxidant protection. It is also an important component in the energy production process in the cells. Alpha-lipoic acid is a coenzyme that assists in the conversion of pyruvate to acetyl-coA. Acetyl-coA is the beginning point for the Krebs cycle, one of the body's main energy production cycles, which produces the high-energy molecule ATP. Alpha-lipoic acid supports the immune system and also supports healthy liver function.

Supplement Facts for 50 mg

Serving Size: 4 tablets

	Amount	%DV
alpha-Lipoic Acid	200 mg	†

Other Ingredients: Dibasic calcium phosphate, microcrystalline cellulose, colloidal silicon dioxide, magnesium stearate, stearic acid, fiber and modified cellulose gum.

Warning: If you are pregnant or breastfeeding, consult your health care professional before using this product.

Suggested Use: 1 to 4 tablets daily at a mealtime. For maximum results, include vitamin B complex, magnesium and coenzyme Q10 with alpha-lipoic acid in your nutrition program.

Suitable for vegetarians and HYPOALLERGENIC: contains no yeast, dairy, egg, gluten, corn, soy or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance.
