Skin Eternal™

(formerly Sk in Renew™)

Skin Eternal contains five key ingredients that together protect the skin and support healthy skin tissue. Ascorbyl palmitate is a fat-soluble vitamin C ester, which may be more effective than water-soluble C in providing antioxidant protection to the lipids in cell membranes, according to in-vitro research. DMAE is an immediate precursor of choline, an important component of skin cell membranes. Alpha-lipoic acid is a powerful fat- and water-soluble antioxidant that recycles the antioxidant vitamins C and E. Grape seed extract scavenges lipid and water-soluble free radicals, and supports the integrity of elastin and collagen.

Supplement Facts

Serving Size: 2 tablets

	Amount	%DV
Vitamin C (Ester, from ascorbyl palmitate)	207 mg	350%
Vitamin E (as natural D-alpha-tocopheryl)	100 IU	330%
Ascorbyl Palmitate (Vitamin C Ester)	510 mg	†
Alpha-Lipoic Acid	100 mg	†
Grape Seed Extract (Proanthodyn™)	53 mg	
DMAE (as bitartrate)	50 mg	†

Other Ingredients: dibasic calcium phosphate, stearic acid, modified cellulose gum, and colloidal silicon dioxide

Warning: If you are pregnant, breastfeeding, or have epilepsy, please consult your health care professional before taking this product.

Suggested Use: Take 2-4 tablets daily with a meal. A healthy diet rich in essential fatty acids, along with adequate hydration, is essential for healthy skin. We recommend drinking a minimum of 8 glasses of pure water daily.

SN1482 60 tabs • SN1483 120 tabs • SN1513
