General Information and datasheet (SOURCE NATURALS)

5-HTP

L-5-hydroxytryptophan * Supports Normal Sleep Cycles * 50 mg and 100 mg

5-HTP (L-5-Hydroxytryptophan) is an intermediate in the natural conversion of the essential amino acid, tryptophan, to serotonin. Clinical studies have shown that 5-HTP increases the amount and availability of serotonin produced by the body. Increased brain serotonin levels may produce positive effects on emotional well-being, appetite regulation, melatonin production and maintaining a healthy sleep cycle. Source Naturals 5-HTP is naturally derived from the seeds of the African plant Griffonia simplicifolia.

Supplement Facts for 50 mg

Serving Size: 1 capsule

	Amount	%DV
Calcium	123 mg	12.5
5-HTP from Griffonia simplicifolia	50 mg	†

Other Ingredients: dibasic calcium phosphate, gelatin (capsule), colloidal silicon dioxide, and magnesium stearate

Warning: In some people, nausea, headaches, nasal congestion, or constipation may occur. If these symptoms occur, lower the dose, or spread the dose throughout the day. Discontinue use if any of these symptoms persist for more than three days. If you are pregnant or breastfeeding, taking prescription medication such as antidepressant SSRI's, MAO inhibitors or sedatives, or if you have heart disease, consult your physician before using this product.

Suggested Use: Take 1-4 capsules daily, in divided doses, with meals or a glass of water. Start with one capsule per day, gradually increasing dosage up to four capsules daily, if needed. Do not exceed the recommended dose.

contains no yeast, dairy, egg, gluten, corn, soy or wheat. Contains no sugar, starch, salt, preservatives, or artificial color, flavor or fragrance
