General Information and datasheet (SOURCE NATURALS)

Alpha-Lipoic Acid is a powerful antioxidant that is soluble in both fat and water. It directly recycles vitamin C and indirectly recycles vitamin E, providing additional antioxidant protection. It is also an important component in the energy production process in the cells. Alpha-lipoic acid is a coenzyme that assists in the conversion of pyruvate to acetyl-coA. Acetyl-coA is the beginning point for the Krebs cycle, one of the body's main energy production cycles, which produces the high-energy molecule ATP. Alpha-lipoic acid supports the immune system and also supports healthy liver function.

Suggested

Use: 1 to 2 tablets daily at a mealtime. For maximum results include vitamin B complex, magnesium and coenzyme Q10 with alpha lipoic acid in your nutrition program.

Serving Size: 1
tablet

One Tablet Contains: Alpha -Lipoic Acid 100 mg

Other

Ingredients: dibasic calcium phosphate, microcrystalline cellulose, colloidal silicon dioxide, magnesium stearate, stearic acid, fiber and modified cellulose gum.

DataSheet:
