## General Information and datasheet (SOURCE NATURALS)

### Holy Basil Extract

#### 450 mg \* Promotes Centered Calmness

This Product (known as tulsi in Ayurveda) is one of the primary botanicals used in India for reducing the negative effects of stress by lowering cortisol production in the adrenals. In vitro research shows the ursolic acid in this product inhibits COX-2, an inflammatory enzyme. As a powerful adaptogen, it helps maintain normal blood sugar levels when used as part of your diet, as well as promote focused clarity.
