Artichoke Extract 500™

Promotes Fat Digestion and Metabolism

Artichoke extract stimulates bile production, promoting fat digestion and metabolism. By stimulating bile, it supports liver and gallbladder function and may help relieve occasional indigestion. Medical experts theorize that it may also inhibit activity of the cholesterol production enzyme HMG CoA Reductase to balance LDL cholesterol and triglyceride production in the liver for cardiovascular support. Source Naturals ARTICHOKE EXTRACT 500™ is standardized to 5% cynarin and 15% chlorogenic acids for maximum potency.

Supplement Facts for 500 mg

Serving Size: 1 Tablet

	Amount	%DV
Calcium	44 mg	4
Artichoke Leaf and Root Extract	500 mg	†
Standardized to 5% cynarin and 15% chlorogenic acids		

Other Ingredients: dibasic calcium phosphate, stearic acid, modified cellulose gum, and colloidal silicon dioxide.
