## General Information and datasheet (Source Naturals)

### Pancreatin 8X

#### Digestive Enzymes

Pancreatin is a mixture of pancreatic enzymes that support digestion. Porcine pancreatin, which is similar to human, consists of proteases (to break down protein), amylases (to break down carbohydrates) and lipases (to break down fats). Together they aid the body's natural digestion process and may improve nutrient absorption. When taken between meals they act as systemic enzymes providing soothing comfort to the body. Pancreatin 8X contains eight times the enzyme activity as pancreatin USP.

Supplement Facts for 500 mg		
Serving Size: 2 Capsules		
	Amount	%DV
Sodium	10 mg	
Pancreatin 8X	1 g	†
TO BREAK DOWN PROTEIN:		
Protease	200000 USP	†
TO BREAK DOWN FATS:		
Lipase	36000 USP	†
TO BREAK DOWN CARBOHYDRATES:		
Amylase	200000 USP	†

**Other Ingredients:** gelatin (capsule) and magnesium stearate.

**Warning:** Do not take if you are pregnant, breastfeeding, or may become pregnant, or if you suffer from any gastrointestinal disorders such as ulcers. Consult your health care professional before taking this product if you are taking any drug that affects blood coagulation such as prescription vitamin K, heparin, warfarin (coumadin), or aspirin. STORE IN A COOL, DRY PLACE.

**Suggested Use:** For Digestive Aid: 1 to 2 capsules immediately before a meal. For Systemic Aid: 1 to 2 capsules an hour before or after a meal.
