General Information and datasheet (SOURCE NATURALS)

Vitamin D-3

Bioactive Form For Bone and Immune Health

2000 IU

Sunlight is the source of life on Earth, but we may not be aware of all the ways it benefits us. Our bodies manufacture vitamin D-3 when the skin is exposed to UV radiation from sunlight, but the ability to do so decreases as we age. Vitamin D-3 maintains healthy calcium and phosphorus levels in the body for strong bones; it increases muscle strength in older adults; and it also plays an active role in a healthy immune response. Vitamin D-3 (cholecalciferol) is the optimal form of vitamin D. It is the form of vitamin D that the body manufactures in sunlight, and the form most efficient for the body's needs.

Supplement Facts for 2,000 IU

Serving Size:

	Amount	%DV
Calcium	51 mg	6
Vitamin D-3 (as cholecalciferol)	2,000 IU	500

Other Ingredients: dibasic calcium phosphate, maltrin, gelatin (capsule), and magnesium stearate.

Warning: If you are pregnant, may become pregnant, breastfeeding, have kidney, parathyroid or any lung disease, cancer, or are taking any prescription drug, consult your health care professional before using this product. Do not use if either tamper-evident seal is broken or missing. Keep out of the reach of children. STORE IN A COOL, DRY PLACE.

Suggested Use: 1 capsule daily with a meal.

Supplement Facts for 1,000 IU

Serving Size: 1 tablet(s)

	Amount	%DV
Vitamin D-3 (as cholecalciferol)	1,000 IU	250%

Other Ingredients: microcrystalline cellulose and stearic acid.

Warning: If you are pregnant, breastfeeding, have hyperparathyroidism, or are taking any prescription medication, consult your physician before taking this product. Do not exceed a total of 2,000 IU of vitamin D per day from all sources, including multivitamins and fortified milk.

Suggested Use: 1 tablet per day, following a meal. Do not exceed suggested use.

Supplement Facts for 400 IU		
Serving Size: 1 tablet(s)		
	Amount	%DV
Vitamin D-3 (as cholecalciferol)	400 IU	100%

Other Ingredients: microcrystalline cellulose and stearic acid.

Warning: If you are pregnant, may become pregnant, breastfeeding, have hyperparathyroidism, or are taking any prescription medication, consult your physician before taking this product. Do not exceed a total of 2,000 IU of vitamin D per day from all sources, including multivitamins and fortified milk.

Suggested Use: 1 tablet 2 to 3 times daily, following a meal. Do not exceed suggested use.
