General Information and datasheet (BOERICKE & TAFEL)

Recommend : Sublingual medication. Place under tongue; let dissolve. Take when mouth is in natural condition, 1/2 hour before or after eating, brushing teeth, or drinking anything but water. Unless directed otherwise by doctor: Adults: 3X-12X & 6C-12C: 10 pellets or 3 tablets every hour. As symptoms improve, decrease to every 4 hours, then twice daily. When symptoms disappear, stop medication. 30X, 30C: 10 pellets or 3 tablets 3 times a day. As symptoms improve, decrease to once a day. When symptoms disappear, stop medication. 200, 1M: 10 pellets once a week. LM: 10 pellets dissolved in water, twice a day. When symptoms disappear, stop medication. For advice on high potencies, consult a knowledgeable practitioner. Child 2 to 12 (check warnings on other side of insert): Half adult dose. Child under 2: Only on advice & supervision of a doctor.

Cautions :

Don't play doctor! Homeopathic medicines are often prescribed professionally for conditions other than those listed on the insert. In such cases, follow your doctor's advice. Homeopathic medicines are safe and remarkably free from side effects. Your condition, however, may require special care, so please observe the following: Do not take this product for pain for more than 10 days (adults) or 5 days (children) unless directed by a doctor. If pain persists or gets worse, if new symptoms occur, or if redness or swelling is present, consult a doctor because these could be signs of a serious condition. As with any drug, if you are pregnant or nursing a baby, seek the advice of a

health professional before using this product. Keep out of the reach of children.

Ingredients : Calcarea Sulph.
6X

Safety : Sealed for your protection. Do not use if seal is broken or missing.
