Calming

Daily Stress Relief

Calming tea is a safe and time-tested Ayurvedic formula designed to ease stress and tension, encouraging a state of relaxed alertness without drowsiness. This healing formula contains Organic Chamomile (*Matricaria recutita*), an herbal nervine that supports, soothes and rejuvenates the nerves. Known for its mild, apple-like flavor, Chamomile has been used as a calming agent for centuries and is widely regarded for the way in which it helps compose the mind and cool the body. Organic Lemon Grass is also included in this formula, as it is a popular antispasmodic and mild anti-irritant. Our blend is complemented with Bacopa Leaf (*Gotu Kola*), a healing nerve tonic that helps promote blood flow, supports the nervous system and has been shown to boost the memory. A favorite nervine of Western herbalism, this leaf is also known as a cardiogenic that scientific studies have shown to be particularly effective in boosting cognitive functions and calming over-active children. We have also included Organic Hibiscus Flower, which helps cool the body, and Organic Fennel Seed, which aids in calming the muscles, improving digestion and calming flatulence and stomach troubles.* Calming tea will help you stay calm throughout the day and is also great for children.
